

A Call to Action: Making Demands

By Jen Reed

Those who profess to
favor freedom,

and yet deprecate agitation,

are those who want crops
without plowing the ground;

they want rain without
thunder and lightning;

they want the ocean without the
awful roar of its many waters.

Power concedes nothing without a
demand. It never did and it never will.

Demand Justice!

Inside each issue of *Rain and Thunder* you will find:
